

Nurse-Family Partnership® Celebrates 2,500 Babies

THIS MEANS THEIR MOMS: _____

Welcomed a registered nurse into their home for ongoing visits

Had regular physical assessments and were encouraged to seek prenatal care

Learned to avoid pregnancy risks through healthy diet, tobacco cessation and more

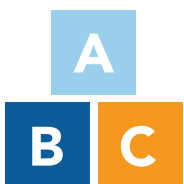

Were counseled on the benefits of breastfeeding and how to get started

Learned to bond with and keep their baby healthy and safe

Were given a book and informed about the importance of reading to their baby

Had school readiness support for their child

Received resources, support and guidance on housing, education, employment and child care

THOUSANDS
of Lives Changed

Nearly 4,000 families have been served by Goodwill's Nurse-Family Partnership since 2011.
