

April 30, 2020

As always, I hope this message finds you and your family safe and healthy. **I am pleased to report that we have claimed the entire COVID-19 Emergency Fund donation match offered by the Foundation Board!** The generous gifts you have provided over the past several weeks have been amplified, increasing the impact we are able to have in our communities.

Kyle Lanham, Vice President, Community Engagement and Chief Advancement Officer, sends his appreciation, saying, “The outpouring of support has been overwhelming. We have many longtime Goodwill shoppers making their first gift, joining a passionate list of donors, to help us continue to provide critical mission services. I can’t thank them enough.”

I join Kyle in sending my thanks to the many who have made a donation to our COVID-19 Emergency Fund; your generosity supports our most vulnerable citizens. As we approach the time when our state might re-open, keep in mind that the effects of this pandemic will be felt by many for a very long time. As such, our efforts will continue...and it’s not too late to join with hundreds of other like-minded individuals by making a gift to support your most vulnerable neighbors. That is who we are and why Goodwill was established over 90 years ago.

There are many ways you can continue to make a difference for our community. Please continue to donate your used clothing and household goods. Donate Personal Protective Equipment, if you can. Continue to be thoughtful of your neighbors and those around you by practicing social distancing, and wear mouth and nose coverings. Your financial donations are still needed, the Goodwill COVID-19 Emergency Fund remains critical during this time, make your gift here: goodwillindy.org/donatenow.

Lastly, please continue to share information about Goodwill programs with people in your social and business circles. With your help, we will continue to change lives with every donation!

Kent A. Kramer
CEO and President
Goodwill of Central & Southern Indiana
