The Excel Center is Moving into a New Facility in Anderson

The adult high school will be relocating to an updated space for students to enjoy

ANDERSON, Ind. - Goodwill of Central & Southern Indiana is relocating its Anderson Excel Center®, a free high school for adults. Located at the Flagship Enterprise Center on 2701 Enterprise Drive, the school will replace the previous location and offer new amenities such as increased employment and postsecondary opportunities to students due to its proximity. The new facility will also offer updated spaces, more parking and is along a bus route for easy access.

"We are excited to open this new location to our students, families, staff and community members in Anderson," said Miriam Henry, director of The Excel Center. "Goodwill remains committed to serving thousands of Hoosiers through our mission, education and employment services, and we appreciate the ongoing support of Flagship and our Anderson community."

The Excel Center will continue to provide a Core 40 high school diploma to Anderson residents, in addition to college credits and industry certifications - all at no cost. With flexible scheduling and expedited curriculum, students can graduate quickly and pursue postsecondary pathways such as a career with life-sustaining wages or enrollment at a college or university.

"Our mission drives us to help meet the biggest challenges in our community," shares Dr. Terry Truitt, CEO for Flagship Enterprise Center. He added, "Coming alongside The Excel Center in Anderson will help build our community by investing in the lives of others."

To meet unique student needs, The Excel Center offers individualized life coaching to every student. Free onsite child care and transportation assistance are also available to ensure that students are successful in their coursework. Goodwill also offers a maternal-child health program, [Nurse-Family Partnership](#), in The Excel Center building, along with other mission and employment services for the community.

The Excel Center operates Monday - Thursday from 9:00 a.m. - 3:30 p.m. with Fridays open for one-on-one support and tutoring opportunities. To enroll, visit excelcenter.org/enroll. To schedule an interview, contact Jen Wade.
