### **Indianapolis Metropolitan High School Hosting Back to School Event**

*Goodwill's high school for grades 9 - 12 focuses on offering unique services to students*

**INDIANAPOLIS, IN.** – Goodwill's [Indianapolis Metropolitan High School](#), a best-fit charter school for teens in need of unique, wraparound support such as child care or transportation assistance, is hosting a Back to School registration event on July 28 from 12 - 6 p.m. at 1635 W. Michigan Street in Indianapolis.

New and returning students and families will be able to register for new classes, meet staff members, enter raffles to win prizes and enjoy ice cream.

“Indianapolis Met High School is excited to host this back-to-school event and offer the community a customized high school experience for students so that needs both inside and outside of the classroom are met and postsecondary goals are achieved,” said Christina Lear, principal at Indianapolis Met High School.

Indianapolis Met maximizes the culture and mission of Goodwill with an individualized approach that changes lives every day by empowering people to increase their independence and reach their potential. The school places an emphasis on being the best fit for students who are pregnant, parenting, in foster care, in special education, part of the criminal justice system or managing previous enrollments at other schools, with a focus on ensuring students are in college or a living-wage career post-graduation.

“In addition to offering a small school environment, Indy Met provides support for the whole family through empowerment coaching and employment services. Free, onsite child care, transportation assistance, and extracurricular activities are available to enrolled students,” said Lear.

Indy Met also offers students free dual credit courses and industry-recognized certifications.

School resumes on August 1 for the 2022 - 23 school year. Families interested in enrolling their student(s) can attend the Back to School registration event on July 28 between 12 - 6 p.m. or visit [indianapolismet.org](http://indianapolismet.org) to enroll.

To interview an Indianapolis Met student or leadership member, please contact Jennifer Wade.
