Kevin Banks Promoted to Director of Transportation, Logistics & Supply Chain

INDIANAPOLIS, Ind. — Goodwill of Central & Southern Indiana recently announced that Kevin Banks, a tenured employee of the organization, has been named Director of Transportation, Logistics & Supply Chain. In his new role, he will be responsible for overseeing transportation and supply chain logistics for Goodwill's retail stores, outlets and additional facilities. Kevin most recently served as the Manager of Logistics and Supply Chain.

"When I first joined Goodwill in 2005, I was working with multiple temporary services and didn't expect to become a full-time employee," Banks said. "I enjoy the culture and my coworkers. I'm humble to be in my current role and look forward to achieving facility operational objectives."

Banks worked his way through the ranks, beginning his Goodwill career as a retail employee and working as a textile baler. He went on to manage multiple retail outlet locations, and in 2019, he was promoted to Manager of Logistics & Supply Chain, leading his team on a new journey and managing 25+ Class A CDL drivers.

"Kevin's career trajectory is incredibly impressive," said Brodie Sears, vice president of retail, facilities and real estate. "He worked his way up from an entry-level position as a part-time employee and now counts himself among the top leaders at Goodwill."

Goodwill is currently hiring. Visit our [careers page](#) for job openings and to apply.
