## **Elizabeth Sigler Named Director of Operations of Goodwill Nurse-Family Partnership**

**INDIANAPOLIS, Ind.** – Goodwill of Central & Southern Indiana is pleased to announce that Elizabeth “Liz” Sigler has been appointed to the role of Director of Operations of Goodwill Nurse-Family Partnership® (NFP).

“It is always our desire to grow our leaders from within our existing teams, and Liz has been a vital contributor in a variety of roles over the years. Dating back to her time as a nursing student, she has been a partner at Goodwill, and we are extremely pleased she is here to take on this important new challenge with us,” said Betsy Delgado, senior vice president and chief mission and education officer at Goodwill of Central & Southern Indiana.

Sigler first joined Goodwill NFP in 2018 as a nurse home visitor on the expansion team in Marion County. She has contributed to work on the mental health committee, mentoring of new nurses, and extensive work with the diversity, equity and inclusion committee. She also contributed to Goodwill NFP as a student in her undergraduate program.

“Liz’s educational background and experience in her family practice have prepared her to lead in this role. We are excited she is willing to continue moving Goodwill NFP forward,” Delgado added.

Sigler earned her bachelor’s degree in nursing and her doctoral of nursing practice from Purdue University. She is a board-certified family nurse practitioner and has been practicing as an NP and managing a school-based clinic since 2021.
